**Finances:** We will stay an unincorporated association this season and bring our account numbers down. Kevin will check with UT about their estimated cost for Champs to be sure we are covered financially. He noted that their prices keep going down.

**Swim Suits:** It is felt that the new restrictions approved last meeting should be added as Item K under Section 6, *Conduct of Swim Meets*, in the Bylaws

**Stroke and Turn:** Charlie Foreman will chair the meeting of head Stroke and Turn volunteers. He plans to meet in the evening during the first week of March. Please get your names and contacts to him and Rebecca as soon as possible.

**Dues:** Initial checks are due at the April 29 meeting.

**Team Towels:** If your team is interested in ordering embroidered team towels (about \$20 each), let Pam Losefsky know. Ordering together will greatly reduce the price.

**Items for Discussion at Next Meeting:** Be prepared to answer these questions for your teams and coaches.

- 11-12 Relays – Since 11-12 swimmers move to 50s , should their relays work the same? Should they be swimming a 200 relay instead of a 100 relay?
- Should we award High Point Trophies at Champs per age group? Kevin will look into the point differences to see if it makes sense.
- Should the league host a U6 Champs at a neighborhood pool instead of taking them to UT?
- Should there be both points and ratio scoring at Champs? Rob will look into the numbers of this idea and report back.
- Should the season be pushed back to accommodate for the later school start? The main problem here is Champs at UT. The latest UT is available is the last weekend in June. Pam will look into other options and report at next meeting.
